Barber v. Tumelty — Service of Plaintiff Filings and Withdrawal of Prior Settlement Proposal

Counsel,

Please be advised that Plaintiff's prior informal settlement proposal is hereby withdrawn. In light of the filing of Plaintiff's Second Amended Complaint and the positions taken in Defendants' pending Rule 4:6-2(e) motion, Plaintiff believes settlement discussions would be premature at this time. This withdrawal is made without prejudice to any of Plaintiff's rights, and Plaintiff remains open to good-faith settlement dialogue at a procedurally appropriate stage.

Pursuant to **R. 1:5-1(a)**, please accept service of the following documents, which are being transmitted simultaneously through the Judiciary Electronic Document Submission (**JEDS**) system:

- **Barber Second Amended Complaint.pdf**
- **Barber Opposition Brief Motion to Dismiss.pdf**
- **Barber Certification in Opposition.pdf**
- **Barber Proposed Order Denying Motion to Dismiss.pdf**
- **Barber Certification of Service.pdf**
- **Barber Cover Letter to Court.pdf**

A PDF copy of this email and proof of transmission will also be uploaded to the docket via JEDS for the Court's record.

If you require any additional copies or prefer service at a secondary email address, please advise.
