**ADA Accommodation Request – Devon T. Barber**

From dTb33

To Christopher Koos

Date Monday, November 3rd, 2025 at 9:31 AM

Dear Mr. Koos,

Thank you for reaching out and for providing the ADA brochure. I appreciate the Judiciary's commitment to accessibility and equal participation.

I experience documented neurological and psychological limitations, including residual effects from a prior head injury and anxiety-related cognitive fatigue. These conditions can cause concentration difficulty, sensory overload, and slowed processing during extended or high-stress proceedings. I am also currently without stable housing, which makes receiving or sending physical mail unreliable.

To ensure I can meaningfully participate in all court proceedings, I respectfully request the following reasonable accommodations pursuant to Title II of the ADA and Judiciary Policy CN 10775:

1. **Proceeding primarily on written submissions (“on the papers”)** whenever possible, as written communication allows me to focus and respond accurately without cognitive overload.
2. **Appointment of stand-by procedural or advisory counsel**—not for representation on the merits, but to assist with procedural compliance, scheduling, and communication.
3. **Electronic filing and service by email ([DTB33@ProtonMail.com](mailto:DTB33@ProtonMail.com))** in lieu of physical mail, in light of my current homelessness and limited access to a secure mailing address.
4. **Modified scheduling or short recesses** during any required live proceedings to manage fatigue and maintain focus.
5. **Advance access to written materials and orders** whenever feasible, to allow adequate review before hearings or deadlines.

These accommodations will allow me to participate effectively and equitably while minimizing disruption to the Court or other parties. I am happy to provide supporting documentation or discuss implementation details at your convenience.

Thank you very much for your time, understanding, and assistance.

Respectfully,

Devon Tyler Barber
