Dear Devon Barber:

Thank you for contacting the New Jersey Division of Consumer Affairs ("the Division"). The Division enforces the Consumer Fraud Act (N.J.S.A. 56:8-1 et seq.) and related statutes and regulations to protect New Jersey consumers from unfair and deceptive trade practices. We review every complaint we receive and provide assistance to consumers through education, mediation and where appropriate, referral or investigation. This correspondence is to acknowledge receipt of your complaint and to respond accordingly with information regarding the action(s) initiated by this office.

Based on our review of the materials you have submitted, we have determined that the issues underlying this complaint were previously litigated, are in current litigation or an agency or entity with proper jurisdiction has already made a determination regarding this matter. The Division does not handle complaints scheduled to be heard or already adjudicated in a court of law, or that are within the jurisdiction of another government agency. Therefore, this complaint has been closed without further action.

Once again, thank you for contacting the New Jersey Division of Consumer Affairs. If you have any questions, please feel free to reach out to our Consumer Service Center at AskConsumerAffairs@dca.lps.state.nj.us. Please be sure to include your log number in the subject line.

Sincerely,

Consumer Service Center
